Population dynamics

Aquaculture

Biology

Artyukhin, E.N. 1995. An ecological approach to zoogeography of Acipenseridae. Pp. 7-12. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Liu Chenhan, A.G.Todd, Diao Xiaomin, Liu Jianhu 1995. Biology of the Chinese paddlefish, *Psephurus gladius* (Martens). Pp 13-21. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Kasumyan, A.O. 1995. Olfactory and gustatory responsivity of young sturgeons and paddlefish to natural and artificial chemical stimuli. Pp. 22-33. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Trenkler, I.V., Semenkova, T.B. 1995. The influence of photoperiod, pinealectomy and pharmacological preparations on growth rate and metabolism in young sturgeons. Pp. 34-42. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Krayushkina, L.S., Potts, W.T.W., Panov, A.A., Gerasimov, A.A. 1995. Peculiarities of ionic regulation in young sturgeons (Acipenseridae) during adaptation to sea water. Pp. 43-51. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Cataldi, E., Bronzi, P., Ciccotti, E., Di Marco, P., DiSanto, O., Monaco, G., Cataudella, S. 1995. Morphology of gills, digestive tract and kidney of Italian sturgeon, *Acipenser naccarii*, in fresh and saline water: preliminary results. Pp. 52-61. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Shagaeva, V.G., Mikolskaya, M.P., Akimova, N.V., Markov, K.P. 1995. Pathology of the early ontogenesis of the Volga River basin Acipenseridae. Pp. 62-73. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Akimova, N.V., Ruban, G.I. 1995. Disturbances of Siberian sturgeon's generative system resulted from anthropogenic influence. Pp. 74-79. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Saenko, I.I., 1995. Specificity of the neuroendocrine regulation in Acipenseridae. Pp.80-85. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Pavlick, R.J., Jr., Watson, J.G., Burlakov, A.B.1995. Gameto- and gonadotropic effects of sex steroids and pituitary gonadotropins on early ontogenesis of sturgeons. Pp. 86-94. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Federov, K.E., Akhundov, M.M., Burlakov, A.B. 1995. Gameto- and gonadotropic effects of sex steroids and pituitary gonadotropins on early ontogenesis of sturgeons. Pp. 95-106. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Kah, O., Lepêtre, E., Anglade, I., Williot, P. 1995. Distribution of two forms of gonadotropin-releasing hormone (mammalian GnRH and chicken GnRH-II) in the brain of the immature Siberian sturgeon. Pp 107. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Lukyanenko, V.V., Lukyanenko, V.I. 1995. Ecological-biochemical heterogeneity of sturgeons. Pp. 108-118. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Arlati, G., Belysheva, L.A., Kaidanova, T.I. 1995. Karyologic analysis of *Acipenser naccarri* (Bonaparte). Pp. 119-123. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Population dynamics

Barannikova, I.A., Burtsev, I.A., Vlasenko, A.D., Gershanovich, A.D. 1995. Sturgeon fisheries in Russia. Pp. 124-130. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Barannikova, I.A. 1995. Measures to maintain sturgeon fisheries under conditions

of ecosystem changes. Pp. 131-136. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Khodorevskaya, R.P., Dovgopol, G.D., Zhuravleva., O.L. 1995. Formation of commercial sturgeon (Acipenseridae) stocks. Pp. 137-150. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Polyaninova, A.A., Molodtseva, A.I. 1995. The benthos-sturgeon feeding relationship for the Caspian Sea. Pp. 151-157. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Raspopov, V.M., Veshchev, P.V., Novikova, A.S. 1995. The relationship between sturgeon fecundity and reproduction in the Volga River. Pp. 158-163. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Khodorevskaya, R.P., Polyaninova, A.A., Geraskin, P.P., Romanov, A.A. 1995. A study on physiological and biochemical status of beluga sturgeon, *Huso huso* (L.) and its feeding habits. Pp. 164-172. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Geraskin, P.P. 1995. Sturgeon (Acipenseridae) responses to new ecological conditions in the Caspian Sea. Pp. 173-177. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Levin, A.V., 1995. Russian sturgeon, *Acipenser gueldenstaedti* Brandt, stocking in the Volga-Caspian basin. Pp. 178-188. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Debus, L. 1995. Historic and recent distribution of *Acipenser sturio* in the North Sea and Baltic Sea. Pp. 189-203. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Smith, T.I.J., Heyward, L.D., Jenkins, W.E., Collins, M.R. 1995. Culture and stock enhancement of shortnose sturgeon, *Acipenser brevirostrum*, in the southern United States. Pp. 204-214. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Clugston, J.P., Foster, A.M., Carr, S.H. 1995. Gulf sturgeon, *Acipenser oxyrinchus desotoi*, in the Suwannee River, Florida, USA. Pp. 215-224. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Keenlyne, K.D. 1995. Recent North American studies on pallid sturgeon, *Scaphirhynchus albus* (Forbes and Richardson). Pp. 225-234. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Jankovic, D. 1995. Populations of *Acipenseridae* prior to and after the construction of the HEPS "Djerdap I and II". pp. 235-238. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Kohlhorst, D.W. 1995. Use of a mathematical model as a management tool to evaluate sport angling regulations for white sturgeon, *Acipenser transmontanus*, in the Sacramento-San Joaquin estuary, California. Pp. 239-249. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Latka, D.C., Ramsey, J.C., Morris, J.E. 1995. Selection of tributary confluence habitat by shovelnose sturgeon in the channelized Missouri River. Pp. 250-258. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Liu Qing, 1995. Conservation and propagation of the Chinese sturgeon in the Yangtze River. Pp. 259-261. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Shilin, N.I. 1995. Programme for conservation of *Acipenser medirostris mikadoi* in the Russian Far East. Pp 262-267.

Aquaculture

Krasnodembskaya, K.D. 1995. Sturgeon larvae adaptation in the context of sturgeon propagation. Pp. 268-277. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Kasumyan, A.O., Sidorov, S.S., Kazhlaev, A.A., Pashchenko, N.I. 1995. Behavioral responses of young stellate sturgeon to smell and taste of artificial feeds and their

components. Pp. 278-288. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Médale, F., Corraze, G., Kaushik, S.J. 1995. Nutrition of farmed Siberian sturgeon. A review of our current knowledge. Pp. 289-298. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Rónyai, A. 1995. Growth and food conversion of sterlet (*Acipenser ruthenus* L.) x Siberian sturgeon (*Acipenser baeri* Brandt) hybrid in relation to ration and body weight. Pp. 299-308. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Papp, Zs., Gy., Jeney, Z., Jeney, G. 1995. Effect of different levels of dietary vitamin C on growth, ascorbate concentration in some tissues and physiological status of sturgeon hybrid (*Acipenser ruthenus* L x *Acipenser baeri* Brandt). Pp. 309-314. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Jeney, Z., Jeney, G., Malik, E., Rónyai, A. 1995. Physiological changes in sturgeon hybrid (*Acipenser ruthenus* L x *Acipenser baeri* Brandt) caused by dietary T-2 toxin. Pp. 315-320. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Arlati, G., Bronzi, P., 1995. Sturgeon farming in Italy. Pp. 321-332. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Knösche, R. 1995. Some problems and results of sturgeon breeding in Germany. Pp. 333-341. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Steffens, W., Jähnichen, H. 1995. Rearing and reproduction of bester (*Huso huso* (L.) x *Acipenser ruthenus* L.) in Germany. Pp. 342-349. In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.

Sokolova, S.A., Storozhuk, N.B., Goriunova, V.B. 1995. Estimation of the influence of pollution on sturgeon during artificial rearing. Pp. 350. (Abstract only). In: Proceedings of the International Symposium on Sturgeons, September 6-11, 1993, Moscow-Kostroma, VNIRO, Moscow, Russia. 350 pp.
